Weekly Learning
Year 2
W/C 8th May 2023

Religious Education	English	Maths	Science	P.E
We are learning: about why we spread good news At home: Create a mini newspaper article to share good things that have happened to you, your friends and your family.	We are learning: to use 'ness' and 'ment' words to show our feelings Happiness, excitement, sadness etc At home: how many 'ness' and 'ment' words can you think of? Can you use any of these to describe your weekend?	We are learning: to count up in fractions to a whole At home: watch these related videos https://vimeo.com/801892999		We are learning: To bounce a ball and catch it At home: create your own games where you bounce and catch the ball in a different way. Can you bounce it with one hand and catch it with another? Can you clap before catching it? Etc.
History	**Art / DT**	**Computing**	**Music**	**PSHE**
	We are learning: to sculpt using sand. At home: Keep your eyes out for sculptures when you are out and about – what materials have been used to make the sculptures?	We are learning: to look at the work of William Morris and recreate it on Purple Mash. At home: Can you create a piece of Artwork that uses a repeated pattern?	We are learning: to keep the pulse for 4,8 and 16 beats At home: Make your own junk musical that can keep the pulse to your favourite song with	We are learning: that there are different types of jobs and that you get paid for doing them At home: Find out what sort of jobs do your family and friends do?
