

Rainbow and Sunshine Room

Hi Pre-Schoolers we look
forward to welcoming you to
St Joseph's Pre-School.

Our Play Space

When you arrive, we sit together on the carpet and say hello.

Can you see anything that you would like to play with?

Have you spotted the big screen? This is a SMART Board where you can practise your IT skills.

What things interest you? We have lots of toys, puzzles and games for you to play with at choosing time.

Can you see a rainbow and a big abacus with lots of beads for counting?

Can you spot the brightly coloured caterpillar?

There are desks and chairs for snack time and lunch time or if you want to, you can sit to do a puzzle, colouring or play a game.

We like playing shops; we use a till and sell lots of different things. Sometimes we make believe, playing vets and doctors. We look after the animals and patients.

What is your favourite animal?

There are many special days in the year that we celebrate together in our School community.

We love to read books at Pre-School. We have literacy time everyday to enjoy stories and planned activities.

We have special words from our story that we talk about and displays to celebrate our pictures and the models that we make.

We have 3 toilets for each room.

The toilet doors have pictures.

Which toilet will you choose?

What characters do you like... Paw Patrol, Disney Princesses, PJ Masks, Peppa Pig, Spiderman?

This is where you wash your hands after going to the toilet, before snack time and lunch time.

We sing a song which helps us do this thoroughly. We have to remember to make lots of bubbles.

Can you see the pictures of bubbles?

You can choose to play indoors or outdoors. We have cars, dinosaurs, castles, space rockets and lots of small world characters for imaginary play.

There are lots of things to build with; can you see the cement mixer? We have a kitchen where you can cook and dolls you can take for a walk in a pram. You might choose to chalk or paint a picture for your family.

Do you like to dress up? We have policeman, princess, builder and even dinosaur costumes!

At Pre-School there are lots of things for you to explore.

We have trikes, scooters, balance bikes and cars. Can you pedal a trike?

We have a big playground where we play Mr Wolf, and run and chase each other.

When play is finished we all help tidy up. We use baskets to make sure we are good helpers 😊

If you are finding it tricky to take turns you can use a sand timer. It works really well and you will soon have your turn!
