

Can't You Sleep Little Bear

<https://www.youtube.com/watch?v=u1aJimzuzbg>

This book explores the feelings that Little Bear has about being in the dark.

We will be thinking about where light comes from. (The sun is the largest source of natural light). How shadows are made. (When objects block out the light) and we will be looking at how shiny things, reflect in the dark and keep us safe at night.

Learning @ Pre-School

w/c 8th November 2021

Our Special Words

Light a source of energy that allows us to see, such as the sun, fire, torches, and light bulbs.

Scared is a feeling of being frightened or afraid of something.

Shiny is something that is bright or glossy in appearance.

Dull Something that is lacking brightness.

Makaton Signs

Walk

Run

Jump

Write

Literacy

We have recently celebrated the festival of lights and bonfire night.

We will be thinking of descriptive words to describe the look and sound of fireworks such as: Crackle, Pop, Bang, Zoom, Whoosh.

Maths

Focus Shape Crescent

Focus numbers 1-10

We will be looking at repeating shapes such as in rangoli patterns. Using tessellating shapes and Numicon will be a great way to create our own patterns.

We will be matching the correct number of stars to numbers on firework pictures.

Sorting shiny and dull objects will be fun.

Being Physical

We will move in a variety of ways to represent fireworks exploding, using descriptive language as our bodies travel around the playground... whoosh, crackle, BANG!

Being Creative

Focus Colour- Silver

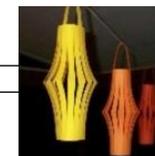

Fireworks are very colourful and we will be looking for materials to make our firework pictures look sparkly.

We will be listening to Handel's music used for the Royal Fireworks and paint in time with the music.

We will be learning to sing Hurry, Hurry Drive the Fire Truck.

<https://www.youtube.com/watch?v=Td0-OLDTBgE>

We will be using our cutting skills to make paper lanterns.

The World Around Us

Fire safety practise means lining up one behind the other and walking safely.

We will discuss important fire safety rules for bonfire night and thinking about firefighters and how they help us.
