

We will be exploring Rainbow Room and getting to know where everything is.

Learning @ Pre-School

Welcome to all our new children starting in Rainbow Room.

You will soon make lots of new friends and learn their names.

This week we will be learning our Golden Rules, which keep us happy and safe. When we hear the tambourine we stop and listen to the adults.

Colour groups

Yellow Group - Nic

Orange Group - Maria

Green Group - Najma

Literacy

We will be sitting together on the carpet and listening to a story.

We will be singing favourite nursery rhymes and songs such as Twinkle, Twinkle, Little Star & The Wheels on The Bus Go Round & Round.

Maths

Focus numbers - 1-5

How many fingers do you have? How many eyes do you have?

We will be practicing counting 1 to 5. We will use our fingers to show how many objects we count.

Being Creative

At St. Joseph's Pre-School each child belongs to a colour group. We will be making a handprint to remind the children which group they belong to.

Being physical

We will be exploring Rainbow Room and the outside environment.

We will be practicing when to stop and when to go using our stop, go signs.
