

We will be introducing our 'Golden Rules' and learning what to do when we hear the sound of the tambourine; we stop and listen .

We all help at tidy up time and sing our tidy up song.

Adults will be exploring the setting with the children, both inside and outside, to see what toys and activities they are interested in.

We will be thinking about how to line up safely, one behind the other.

## Our Special Words:

Each week we will share special words that we are learning and also some Makaton signing. Parents, please check the parent board for more information.

## WELCOME

to our new children and their families.  
Learning @ St Joseph's Pre-School  
Week 06/09/2021

**Literacy-** We will be looking at books about sharing our feelings.

We will read about when Max and Millie started school.

We are going to explore the activities for letters and sounds- Phase One (Follow this link to find out more).

When we are quiet... what can you hear?

## Being Physical

We will be learning our handwashing song and talking about the importance of handwashing and practising good hygiene.

We will be exploring the environment using gross and fine motor skills. We will be moving in a variety of ways; walking, running, balancing, riding tricycles and moving around in the cars and trucks.

## Being Creative

### Focus Colours- **Shades of red**

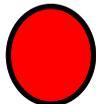

We all belong to St Joseph's Pre-School. Each child belongs to a colour group with a key person who takes a special interest in their development. The children will make a handprint for their learning journey to remind them which colour group they belong to.

We will be singing a range of traditional nursery rhymes. Which is your favourite?

Twinkle Twinkle Little Star?

## 1 2 3 4 5 Maths

### 6 7 8 9 10 Focus Shape- Circle Number Focus 1-5

Can you find numbers 1-5 in the Pre-School?

How many circles can you find? What other shapes can you see? Can you name them?

We will be counting and sorting as we play and tidy up.

## The World Around Us

We will be using our senses to explore the Pre-School.

What can you see?  
What can you hear?
