

Little Red Riding Hood was a kind and helpful girl.

We will think about what we can do to help each other in Pre-School and how we help our families at home.

Being Physical

We will be moving like busy bees, and practise how to move in and out of spaces safely when playing chasing games such as tag, What's the Time Mr Wolf and Follow the Leader.

We will be looking at different fruits from around the world and exploring questions; What is it call? Have you tasted it before? Do you think would be delicious?

The wolf had very big teeth.

Do you think he brushed them?

Learning@Pre-School

Literacy Little Red Riding Hood

<https://www.youtube.com/watch?v=jUm00LF3P3Y>

We will be sequencing and retelling the story using props and finger puppets.

The wolf was chasing Little Red Riding Hood, do you know another story with lots of chasing in it? (The Gingerbread Man)

Can you name another story with a wolf in it?

What happened to the wolf at the end of the story?

We will be thinking of words we can use to describe the wolf.

Our Special Words

Smell-(sniff, scent, whiff, stink) we use our nose to smell things. Some things smell nice, and somethings smell nasty.

Chase-(follow, rush, track) when we run after somebody, we are chasing them.

Help- (support, assist) when you do something for someone you are helping them.

Delicious- (yummy, tasty, scrumptious) Something that is very tasty is delicious.

Emphasise movement to show running fast

Makaton Signs

Tidy up time

Run

fast

slow

Maths Number Focus 5

Focus Shape- Cross

Can you count the teeth on our model and practise brushing them!
How many teeth do you have?
10 on the top and 10 on the bottom?
How many altogether?

We will be matching the number of bees to the number on the honey pots.

The World Around Us

We will be looking at our family photo cards and talking about how we are all special and different. **Different is good** 😊

Little Red Riding Hood threw acorns on the ground. Do you know what acorns are and what they grow into?
