

Cinderella

<https://www.youtube.com/watch?v=jSn3ynaCLOo>

Cinderella is a fairy tale which tells the story of a kind girl who meets and marries her prince charming. The mean stepsisters were unkind to Cinderella. This story reminds us that we should be kind to everyone and hold on to our dreams.

Literacy- We will be sequencing and retelling the story of Cinderella with props and puppets. We will be designing our own invitations to **invite** our friends to a party. What would you write? Dear Friends, please come to my party, there will be music, singing and dancing, jelly, ice cream and magic!

Maths Number Focus 5
Focus Shape- Star

Cinderella had to leave the ball by midnight. Using our clock we will turn the hands through the numbers and think what things we might be doing, such as coming to preschool or going to bed. We will use our clock stamper to show different times of day. It can be **tricky** to **fit** puzzle pieces together. We will find puzzles that challenge us to fit the pieces, in the right places, to complete the picture.

Learning @Pre-School

Our Special Words

Clean- When you clean something, you get all the dirt off it.

Beautiful- When you think that something or someone is very nice to look at, you think they are beautiful.

Invite- When you ask someone to come to something, you invite them.

Fit- When something is the right size or shape for you, it fits you.

Makaton Signs

Beautiful

Dirty

CLEAN

Being Physical

We will move in a variety of ways as we scurry like mice, gallop like horses and run away from the Ball. As midnight chimes Cinderella hurries away before the magic comes to an end. Can you move carefully, weaving in and out and around your friends?

<https://www.youtube.com/watch?v=CiJdRXTPOM>

Playdough will be used to make pumpkins, mice, and other characters from the story. We will design our own castle indoors and use construction resources to make a grand palace outside.

Do any of our toys need **cleaning**? We could design a car wash.

To stay healthy, it is important to keep ourselves **clean**. How do we do this? Make sure you make lots of bubbles when you wash your hands!

Being Creative

Focus Colour **Yellow**

We will be creating tiaras and crowns with jewels and magic wands using a variety of materials.

Can you sign the 'Tidy up' song? Can you remember the words to our washing hands song and our Neli 'Wash up Song'?

We will be having our own Royal Ball and dressing up **beautiful** and handsome princesses/ princes.

Listening to a variety of music, we will think how we might move differently for each.

The World Around Us

As we take part in cleaning at Pre-School, we will think about how we can help keep our planet clean and safe; put our litter in the bin, not use plastic straws or bottles. We must remember **the world is in our hands**.
