

# Year R

## WEEKLY LEARNING

Information about some of the things we will be learning in the week beginning 6<sup>th</sup> September 2021

We had a wonderful week last week! It was lovely to welcome the children into Reception and begin getting to know them. Everything went very smoothly and the children settled very quickly and enjoyed exploring the classrooms and the garden area.

Thank you to all of you for being so patient and waiting whilst we welcomed each child and dismissed at the end of the day. This really helped us get off to a good start and both the staff and children will become quicker at this!

### **P.S.E.D (Personal, Social and Emotional Development)**

We will continue to learn about the different areas within the classrooms and where we can find and put away resources. These will include the craft area, mark making area, math area, snack table, small world and block play, painting area as well as dough and malleable area. As you can see there is lots to learn and this is just inside!

We will start to learn about the speaking and listening expectations when we work in a group. Sometimes this will be in a small group and sometimes this will be in our whole class group.

### **Literacy**

We will be reading the story Hairy McLairy from Donaldson's Dairy and trying to find pairs of words that rhyme like hat and cat.

### **Physical development**

We will practising making the following shapes O X / \ + when we paint and draw.

**Our PE days:**

**RS Tuesday and Thursday**

**RJ Tuesday and Friday**

**Please come to school in PE clothes instead of uniform on these days**

### **RE**

We will begin the topic 'Myself' and learning that our names are special to us. We will learn that our school mission statement is 'I am special in God's eyes' and talk about why we are all special.

We will draw a picture of ourselves and write our names.

### **Maths**

We will continue to establish the routine of the day through the use of our visual timetable so that the children begin to understand what will happen next and when it will lunch time!
