

# Year R

## WEEKLY LEARNING

Information about some of the things we will be learning in the week beginning 18<sup>th</sup> October 2021

Thank you for all the generous harvest donations we received last week. We enjoyed learning about the importance of harvest in our class and singing worship assembly.

### R.E

This week will learn about the welcome to God's family through baptism. We will learn about the baptism ceremony, important items such as the baptism candle and white robe, as well as the people who are involved (Parent's, Godparent's and the priest)

We will role play Baptism in our play this week.

### Maths

We will continue to learn about repeating patterns this week.

As we become more confident at recognising simple 2 part patterns we will try and copy and complete 3 part patterns.

### Communication, Language and Literacy

Last week we learned to retell the story of The Little Red Hen. This we will draw pictures of our favourite part of the story and use some of our word/sound knowledge to write simple captions and labels.

### Physical Development

This week we will focus on forming the letters shapes of the sounds we have learned so far. We will practise writing and painting them both on a large and small scale because writing letters is very tricky!

### TOPIC

This week we will walk the school grounds to continue with our autumn theme. We will look for signs of autumn and hopefully find lots of crunchy leaves we can walk through!

### Personal, Social and Emotional Development

This week will focus on developing effective communication and play skills with others by:

Using our manners to say 'excuse' me if we need to get past

Asking if we can have a turn if we want something

Replying by saying 'Yes' or 'When I have finished I will give it to you'
