

Year R

WEEKLY LEARNING

Information about some of the things we will be learning in the week beginning 20th September 2021

It was lovely to see so many of you at the drop in sessions last week and we were very proud to see how confidently the children were able to explain the classroom areas to you.

As the weather changed last week our garden area became muddier. We aim to get outside in most weathers so would ask that, if you can, you please send in a **pair of welly boots** with your child. They may stay in school all the time, be taken home daily, or left in school for the week and taken home at the weekend. **Please make sure your child's name is clearly labelled on them.**

P.S.H.E. (Personal, Social, Health Education)

We will learn about the values that our 'star awards' are based on and discuss the types of behaviours that will demonstrate we are being 'stars', setting the example for others to follow. Moving forward star awards will be given weekly to 2 children from each class.

Communication, Language and Literacy

We will continue to explore our focus text of Mrs Wishy Washy. This week we will be putting pictures of the story into order and drawing our own pictures to retell the story.

Maths

In Maths we will explore our Numicon shapes through a variety of play activities and begin to recognise the value of each shape.

R.E

We will continue to learn about God's love for each of us and listen to the words of the Psalm below.

Psalm 131

I trust you God. Just like a baby, safe and snug, being carried in a mum's arms. So I can rest in your love. So gently held. So lovingly held. So good to be in your care. I will rest in your love for me.

P.E.

We will begin to use the large climbing equipment on the play and learn the rules for staying safe in this area

TOPIC

We will be using our listening skills to copy clapping rhythms, musical beats with instruments and listen for initial sounds in words e.g. sssss is for snake
