

# Year R

## WEEKLY LEARNING

Information about some of the things we will be learning in the week beginning 27<sup>th</sup> September 2021

What a change to see the children just in green on Friday! Thank you for all the donations we received to support the McMillan charity.

As you are aware it is very busy at the beginning and end of the day and our main priority is to ensure that the children come in safely or are collected safely. Whilst we are always happy to talk to you sharing information at length at the gate is not the best time to do this as we are unable to give you our full attention and it also slows the safe entry or exit of children.

If you would like to speak to us at the end of the day you are welcome to wait aside until the all the children have been dismissed or you can email us at any time on the year group email at:

[YearR@stjosephsrcinfant.bucks.sch.uk](mailto:YearR@stjosephsrcinfant.bucks.sch.uk). For urgent messages please contact the office and staff will pass them on to us.

### P.S.E.D (Personal, Social, Emotional Development)

This week we will practise working together with others to play the following circle games:

Ring a ring a roses.  
Farmers in the Den  
We're going to the Circus

### Communication, Language and Literacy

This week we will be learning about the features of a book e.g. front cover, title, page, words and pictures.

We have started phonics sessions and this will continue. We will be practising our listening skills during games and activities and learn the sounds for the letter i,n,m and d.

We will begin reading the story of Simon Sock too.

### R.E

This week we will celebrate all the things we have learned and remember from our RE topic Myself.

- God knows us
- God loves us
- We talk and listen to God in prayer
- We have heard the words from Isaiah 43 1:2 and Psalm 131

### Maths

This week in maths we will be looking at different objects and items by finding what it the **same** about them and what is **different** about them.

We will also be finding things that **match** because they are the same

### Physical Development

We will be practising making a range of marks and letters (up, down, zig zag, arches etc.) on a large scale to develop our shoulder strength.

### TOPIC

We will be exploring the season of autumn and looking for signs of this. Maybe you can spot some of the signs on your journey to/from school.

We will continue to learn a range of new songs including the name song.
