

# Year R

## WEEKLY LEARNING

Information about some of the things we will be learning in the week beginning 4<sup>th</sup> October 2021

We are looking forward to welcoming athlete Steve Frew to school this week and completing our sponsored sporting event together!

### Communication and Language

This week we will listen for the sounds g,o,c, and k in words. We will also be learning about how we can listen well. This includes remembering to look at the person who is talking and taking turns in conversation.

### Personal, Social and Emotional Development

This week we will be learning to play some playground games together and working as a group by playing fairly. These will include Farmers in the Den and what's the time Mr Wolf

### R.E

This week we will begin our new topic 'Welcome'

We will think about what it means to be welcomed and some of the things that make us feel welcome when we go somewhere new

### Literacy

This week our focus story will be 'Naughty Bus'. We will be learning the story well by reading it many times and listening to the Naughty Bus song. Then we will retell the story using toys and make up new adventures for the Naughty bus. We will make our own Naughty Bus book where we draw pictures of the story so that we can share it with others.

### Maths

This week in maths we will be **comparing** amounts of objects and saying which group has **more** or **fewer**

Can you find some objects to compare at home?

### Physical Development

We will be making patterns using dots by using our gross and fine motor skills. We will sky write, use sponges on large paper and use tiny ear buds to make all sorts of dotty patterns.

### TOPIC

We will continue to explore the season of autumn and use autumn finds to create artwork and print with leaves. We will also explore the effects of mixing colours to make new colours. We will practise the harvest song and continue to sing the name song this week.
