

Year R

WEEKLY LEARNING

Information about some of the things we will be learning in the week beginning 6th December 2021

Personal, Social and Emotional Development

This week we will play games lots of games in small groups that help us to work together.

BOOK CHANGE DAYS

MONDAYS
THUSDAYS

Please make sure reading books are reading diaries are in your child's book bag on these days

Maths

In Maths this week we will explore the capacity and weight in our play based activities. We will make comparisons and learn to use words such as full, empty and half full to describe the capacity of different containers and heavier and lighter to compare the weight of objects.

R.E

This week we will listen to the nativity story from the Bible and find out the key events that happened.

Literacy

In literacy this week we will continue to learn and use our speed sounds and draw and label pictures of the nativity

We will also share lots of Christmas themed stories

Communication and Language

We will be learning the meaning of new words associated with the nativity

Crib, manger, gold, frankincense, myrrh, journey, stable, shepherd

Topic

(Expressive Arts and Design and Understanding the World)

We will start making a range of Christmas decorations and artwork this week.

This will include salt dough ornaments, paper chains and Christmas biscuits

We will also perfect our songs for our Nativity on Friday
