

# Year R

## WEEKLY LEARNING

Information about some of the things we will be learning in the week beginning 14<sup>th</sup> March with ideas to try at home

### Personal, Social and Emotional Development

We will spend time talking about our emotions and exploring different ways of managing them. For example, if we are nervous or cross we could try taking some deep breaths to help us calm down.

### BOOK CHANGE DAYS

MONDAYS & THUSDAYS

Please remember to send in your child's reading record and reading book on these days so that we can change the reading book.

### Maths

This week we will be learning about 3D shapes. We will investigate which shapes stack and which roll as well as learning the name of some 3D shapes

### R.E

This week we will look out for signs of growth and new life in Spring.

On Friday we will celebrate the Feast of St Joseph and celebrate by learning more about him

### Topic

(Expressive Arts and Design and Understanding the World)

This week is British Science Week and we will be celebrating this with different investigations in class. We have included some links to the activities we have planned so that you can recreate them at home you want to

Carnation flowers in coloured water

### Literacy

The story we have been focusing on is Oh No George!

You can listen to it here:

<https://youtu.be/bQW-AGGBiZc>

This week we are going to develop our knowledge of dogs by exploring the different types of dogs there are, jobs they do and find out about the responsibility of keeping a dog as a pet. We will use this knowledge to make simple information books about dogs.

READING - Online

Please remember you can use your child's log in details to access reading books at:
