

# Year R

## WEEKLY LEARNING

Information about some of the things we will be learning in the week beginning 21<sup>st</sup> March with ideas to try at home

### Personal, Social and Emotional Development

We will continue to explore emotions and begin to associate different emotions with a colour.

### BOOK CHANGE DAYS

MONDAYS & THUSDAYS

Please remember to send in your child's reading record and reading book on these days so that we can change the reading book.

### Maths

We will revisit positional language this week and practise using words such as

**inside behind between underneath below above  
next to in front**

Play this game to support understanding of these words

### R.E

This week we will look out for signs of growth and new life in Spring.

On Friday we will celebrate the Feast of St Joseph and celebrate by learning more about him

### Topic

(Expressive Arts and Design and  
(Understanding the World)

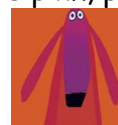

We found out in our focus story that *George the Dog* loves rubbish so this week we are going to find out how recycling helps to reduce rubbish and helps our planet.

We will identify and sort object made of glass, wood, plastic and cardboard into different groups so that they can be recycled.

Do you recycle anything at home?

We will create artwork in the style of Chris Haughton - the author of '*Oh No George!*' using the colours pink, purple and orange

And of course we will be practising a special 'something' for all the mummies who will be able to join us this week to celebrate Mother's day.

### Literacy

Now we know the story of '*Oh No George!*' really well we will be drawing story maps to show the main events

We will also think of an additional ending to the story and write about it - Will *George* be able to resist the rubbish?

READING - Online

Please remember you can use your child's log in details to access reading books at:
