

Year R

WEEKLY LEARNING

Information about some of the things we will be learning in the week beginning 24th January 2022

Communication and Language

Our story focus will be The Enormous Turnip and we will be learning the names of different vegetables and using words to describe what they look and feel like to touch.

We will use story language to act out the story and learn the repeated parts, 'Come and help pull'.

Personal, Social and Emotional Development

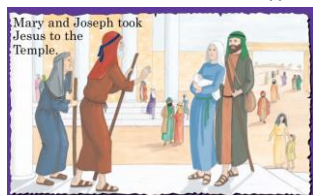

We will be thinking about how to keep ourselves safe. We will learn about good hygiene as well as how to stay safe around school by using equipment safely. We will think about how to move safely around school and what we can do if we don't feel safe.

'Safe Bodies'

R.E

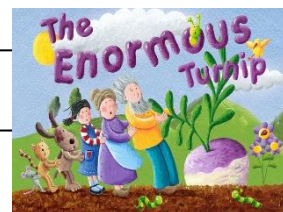

We are continuing our topic 'Celebrating'

We will be learning about the Presentation Story when Mary and Joseph took Baby Jesus to the Temple to be blessed. Will we also decorate paper candles ready to celebrate Candlemas.

Literacy

This week we will be learning the traditional tale of The Enormous Turnip. We will retell and order the story in lots of different ways making a book of the events and characters to help us. We will create our own versions of the story thinking of a different enormous vegetable and new characters to help pull it out! We will write simple words and captions.

TOPIC

(UTW AND EAD)

We are going to explore the forces of Pushes and Pulls linked to our story. We will experiment with different toys and objects to see what we can push or pull. We will make some toys to either push or pull.

We will look carefully at vegetables and draw and paint what we see.

Physical Development

We will continue to explore footwork side stepping in both directions. We will also learn to gallop, hop and skip with fluency and control. We will pretend to ride our bike and learn a new action song.

Please note this term Reception should come to school in their PE kit on the following days:

RS - Thursday

RJ Friday

Maths

In Maths we will continue to focus on different ways to make numbers. We will use numicon and record what we have found out. We will also solve some number problems finding hidden or missing

bers. $00 + \underline{\quad} = 0000$
