

Year 1 Weekly Learning

Information about some of the things we will be learning in the Week Beginning 20th September

Thank you to all the parents/carers who came in for the class Drop-In sessions last week. It is great to get to know you all better and share how well your children are settling into Year 1.

We are excited to begin our main topic this week: **Dinosaurs!**

P.S.H.E. Personal Social Health Education

This week we are going to focus on being kind to each other and why being kind is important. We will role play ways we can be kind.

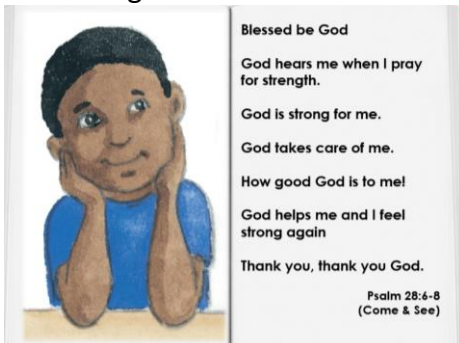

Acts of Kindness

- I can share.
- I can wave at a friend.
- I can clean up after myself.
- I can play with others nicely.
- I can say nice things.
- I can smile and encourage others.
- I can listen to my friends.
- I can hold the door.
- I can say "hello" to someone I don't know.
- I can make a new friend.
- I can tidy my classroom.
- I can help someone.
- I can say thank you.
- I can let others join in.

R.E.

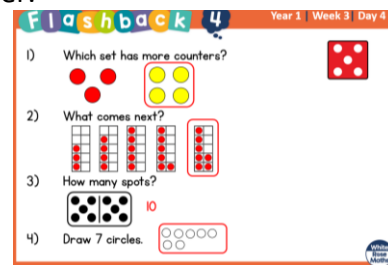

We will be reading from the Bible: **Psalm 28:6-8**

Children will draw a picture, write a sentence, or say how the Psalm makes them feel.

Maths

This week we are going to look at simple problems and reasoning questions which the children can talk about with a partner.

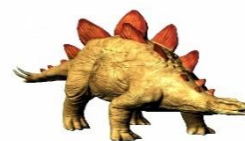

Children will continue to sort objects, follow patterns, add and take away objects and numbers.

English:

In English this week we will begin to look at facts about dinosaurs. We will write sentences using capital letters, full stops and begin to add an adjective (describing words) e.g. sharp claws, huge head, green body. We will also be reporters asking questions about the dinosaur of the week.

This week we are looking at a Stegosaurus.

What words would you use to describe this dinosaur?

P.E.

We are continuing to develop our skills in small groups by:

- Travelling in different ways
- Changing speed and direction
- Stopping safely

**Please come to school in P.E. Clothes
On P.E. days which are Mondays and
Thursdays**

Topic – Science

We will learn that animals eat different types of food and begin to use the words **carnivore** and **herbivore**. We will talk about their pets and animals they know. They will think about the food they eat and begin to sort them into food herbivores and carnivores would eat.

Music: We are enjoying singing our Jesus songs, adding actions and clapping to the beat. We will be learning a new song about how wonderful each one of us is too.
