

# Year 1

## Weekly Learning

Information about some of the things we will be learning in the **Week Beginning 8<sup>th</sup> November**

### P.S.H.E. Personal Social Health Education

We continue our topic on **Be Yourself**.

The children will look at some pictures and decide if they would make them feel happy or sad. We will discuss how sometimes we laugh out loud and at other times we smile. We can feel happy in lots of different ways and that is ok.

Children will draw and write about some of the things which make them happy.

### R.E.

### Judaism

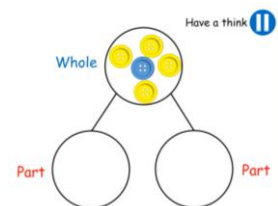

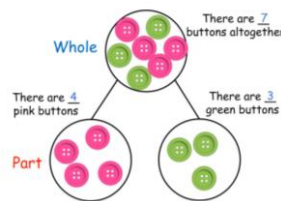

This week we are going to listen to a story about Abraham and Sarah and God's promise to them.

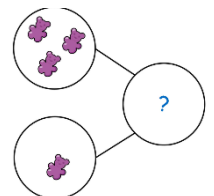

We will complete different activities to remind us of this story: -

- Re-tell the story.
- Role play being in a tent in the desert
- Small world play with trays of sand and people
- Decorating stars

**Maths** Over the next 2 weeks we will be introducing the part, part whole model. It means we can split a whole object or number into parts. It is another way to show children how we can partition a number/object into 2 or more parts e.g.

This week we will use this model to find ways to partition (split into parts) objects and numbers.

## English:

In English this week we continue our work on sentences by learning about questions.

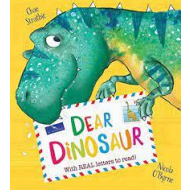

We will learn to read and start to spell the words:

**how what where when who which**

We will be learning how to use question marks in sentences.

We will continue using the book called Dear Dinosaur by Chae Strathie to find out about how letters are different to story (or narrative) types of writing.

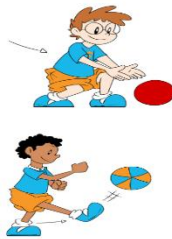

This week we will be looking at the features of a letter and will begin to write a letter to a dinosaur choice. We will think of questions we could ask our dinosaur of choice eg

How tall are you? What do you like to eat? When do you go to bed? Where do you sleep?

## P.E.

Please come to school in Clothes on P.E. days which

**Tuesdays and Thursdays.**  
*Please note change of day this half-term.*

P.E. are

for

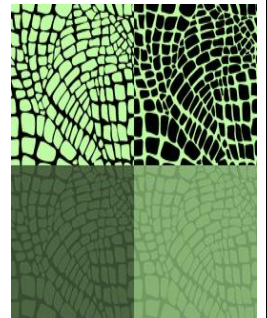

**This Tuesday** we will not have our Dance Workshop due to photographs. Therefore, your child should come to school in their **school uniform this Tuesday.**

We continue our work on travelling and control of equipment in our second lesson each week.

## Topic – Art

We will continue to explore Pattern and Texture linked to our topic. We continue to will explore the different types of marks we can make using plain pencils.

We will also be looking at close-up pictures of dinosaur skin and using playdough and tools to imitate the marks we see.

## Computing:

We are learning to use the classroom computers and will practise control of the mouse to explore Mark Making and Pattern linked to our art work.

**Music:** We will continue singing and clapping repeated rhythm patterns, first in songs then using percussion instruments.
