

# Year 2

## Weekly learning

Information about some of the things we will be learning in the week beginning 6<sup>th</sup> September 2021

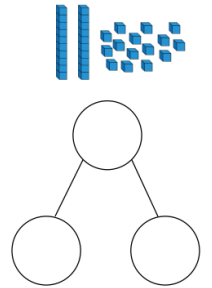

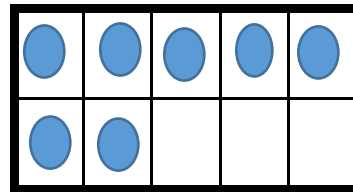

### English

In English this week we are reading and discussing the story 'Bob the Man on the Moon' by Simon Bartram. We will be thinking of interesting *adjectives* (words to describe) to put into sentences about the moon. Drawing a story map and discussing our favourite part of the story.

**Maths** : In maths this week will be starting with counting forwards and backwards within 20 and then moving onto 50. We will be looking at different ways numbers can be shown, such as tens and ones, whole part model and tens grids.

From this we will be working on worded problems to solve.

**RE** : We will be starting a new topic 'Beginnings'

We will discuss what the word beginnings mean. We will talk about how the children felt when they first started school or Year 2. We will also be talking about other 'new beginnings' they have experienced such as new house, new family members, new clubs. *How do you feel when you begin (start) anything new? Why?*

### P.S.H.E. (Personal, Social, Health Education)

We will be talking about VIP's (Very important people). We will talking about what makes someone special in our lives and what they do to make them special to us. Then we will be discussing how we can be VIP's to others.

## PE

This week we will be learning to balance on different parts of our body for gymnastics. We will also be practising skipping, hopping, galloping and side stepping in both directions.

Our PE days are:

**Our PE days:**

**2S Friday and Wednesday**

**2J Friday and Tuesday**

**Please come to school in PE clothes instead of uniform on these days.**

## Computing/ Music

In computing we will be discussing Online safety and sharing personal information online.

We will be sending out Purple Mash logins to log in at home.

In music we will be starting the topic of Hands, Feet and Heart. We will be learning a new song and learning to listen for the beat of the music.

## Topic- Art

This week we will be learning different ways of colouring in. We will be learning how to shade, blend, cross hatch and smudge using all different types of tools such as pencils, oil pastels, and chinks.

Then we will be designing an alien using the different colouring techniques we have learned .
