

# Year 2

## Weekly learning

Information about some of the things we will be learning in the week beginning 11<sup>th</sup> October 2021

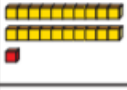

### English

We will be listening to the story "Aliens love underpants" by Claire Freedman. We will discuss what we enjoyed about the story and what was our favourite part, and will use our thoughts to write a book review. We will then be looking at what makes a good character description, and will write a character description based on personality and appearance, using different sentence openers to make our sentences more interesting.

### Maths:

This week we will be using our knowledge of number bonds to 10 to help us work out number bonds to 100. For example, if we know  $6 + 2 = 8$ , then we know that  $60 + 20 = 80$ . We will be adding and subtracting 1 from any given number up to 100, moving on to adding and subtracting 10 for numbers up to 100 as well.

10 less	Number	10 more
		
	21	

**RE:** This week we will be looking at some other items used in baptism and what they symbolise. We will be looking at the oil of Chrism, the white garment, the Baptism candle and the Holy water. Maybe you could have a look at some pictures online of these items and find out what they symbolise.

### P.S.H.E. (Personal, Social, Health Education)

This week we will be looking at how to communicate our feelings to others, to recognise how others show feelings, and how we should respond to this. We will be discussing how we can offer constructive support and feedback to others.

## PE

Our PE days are:

**Our PE days:**

**2S Friday and Wednesday**

**2J Friday and Tuesday**

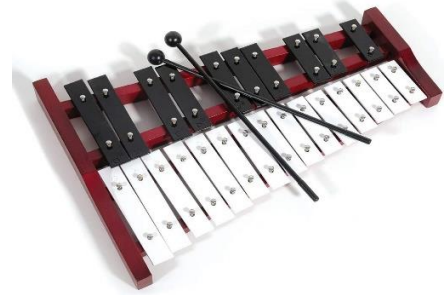

**Please come to school in PE clothes instead of uniform on these days.**

## Music

This week we will be listening to the song "Hlokoloza" by Arthur Mofokate. We will use our bodies to find the pulse, and talking about the song, answering questions together using correct musical language. We

will then compare this song to the "Hands, Feet, Heart" song, discussing how the songs are different and similar to each other. We will perform the song "Hands, Feet, Heart" using glockenspiels as practised in our earlier lessons.

## Topic - History

We will recap our previous week's learning about the famous aviation explorer Amelia Earhart, and will write an eyewitness account of Amelia's first flight. We will also learn about the life of Amy Johnson, another pioneering aviator, and will compare her life to that of Amelia Earhart.
