

Year 2

Weekly learning

Information about some of the things we will be learning in the week beginning 27th September 2021

English

This week we will sorting words into alphabetical order. We will also be making a story map of Neil Armstrong's life, thinking about how he would have been feeling at different points in his life. We will then use this information to make a booklet about Neil Armstrong.

Maths:

This week we will be practising counting forwards and backwards in 2s, 3s, 5s and 10s. We will then be using this knowledge to spot patterns and help us solve different problems.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

RE : This week in RE we will be starting our new topic 'Signs and Symbols'. We will be thinking of and drawing any signs and symbols we have seen or can think of. For example, sometimes we might see stop signs or maybe a cross as symbol of Christianity. Maybe you could look for some signs or symbols at home or on a walk to school?

P.S.H.E. (Personal, Social, Health Education)

This week we will be thinking about the importance of listening to others, and playing and working cooperatively with others. This will include discussions on how to resolve simple arguments through negotiation and when to ask for help to resolve differences with others.

PE

This week in PE we are working on balancing on one leg. We will be trying to do it on both legs and at first we will be practising doing this for 10 seconds and then move onto 30 seconds. We will learn to use our arms to balance, keep our tummy tight and back straight.

Our PE days are:

Our PE days:

2S Friday and Wednesday

2J Friday and Tuesday

Please come to school in PE clothes instead of uniform on these days.

Music

This week we will be listening to Mbube by Soweto Gospel Choir. We will talk about how the music makes us feel and then see if we can follow the beat and pulse. We will continue to learn the "Hands, Feet, Heart" song and will practice performing this song using glockenspiels.

Computing

We will be learning about collision detection and creating a program that uses collision detection. E.g. when the princess collides with the frog it will turn into a prince. There will be a '2do' task set for each of the children. So don't forget to login and have a go at home.

Please email staff at year2@stjosephsrcinfant.bucks.sch.uk if you need your child's log in details

Topic - Design Technology

This week we will be using our knowledge of cutting skills, levers and sliders to design and make our own moving picture book. We will be deciding on which parts of the pictures will need to be moving and how they need to move on the page. We will evaluate our finished product, thinking about what we have done well and what we could do better next time.
