Pre-School France

RJ India

What a colourful display of countries!

The countries chosen reflect some of the ethnicities of the children in our school.

All classes have worked extremely hard to imitate various artistic styles to create their masterpieces, whilst learning about the history and traditions of the countries.

The children have shown resilience to persevere when their artwork seemed challenging, and have enjoyed learning interesting facts from lessons and parent visits.

We hope you enjoyed viewing the great art the children have produced.
