

# Nothing Can Frighten A Bear

## Week 15

This week we have talked about different things that FRIGHTEN us!

We have learned different ways we can use the word 'DEEP' and WRIGGLED our bodies like different animals.

- Look at the pictures together and tell the story. Can you remember who got STUCK in the mud?
- Can you find some WRIGGLY worms in your garden or park? Watch how they move!
- Dig some holes with your family. Which one is the DEEPEST?
