

Pip & Posy: The New Friend

Week 12

This week we have learned about the SEA and the BEACH.

We have seen some people's COLLECTIONS and tools that we can use to DIG for things.

- Look at the pictures together and tell the story. What do Pip & Posy like doing on the BEACH?
- Can you remember which SEA creatures live in the SEA? You could paint your favourite SEA creature.
- Ask your family if they like COLLECTING something special. Maybe you want to start your own COLLECTION?

Learning @ Home

These are the Special Words we have been learning about this week...

sea

beach

collect

dig

Here are some pictures from the story we have read this week. Can you retell the story?
