

Weekly Learning

Year 1

W.C 17.10.22

Religious Education	English	Maths	Science	P.E
<p>We are learning: That a family can take their child to be baptised.</p> <p>At home: Talk to your child about what baptism is why it is done</p>	<p>We are learning: To retell the story of 'We're Going On Bear Hunt' and then changing it into a dinosaur hunt.</p> <p>At home: Practise telling the story with the new added parts.</p>	<p>We are learning: To know numbers bonds to 10 and write number sentences.</p> <p>At home: How many number bonds to 10 can you find? E.g. $7+3=10$, $5+5=10$...</p>	<p>We are learning: To identify and name a variety of common animals- minibeasts -such as worm, earwig, ladybird...</p> <p>At home: How many minibeasts can you find outside? How many legs do they have? Where did you find them?</p>	<p>We are learning: To practice all the balances and movements we have learnt so far.</p> <p>At home: practise; Balancing on one leg, side stepping, galloping and hopping on one leg.</p>
History	Art / DT	Computing	Music	PSHE
		<p>We are learning to/about: How to log in to the computer and play a maths game.</p> <p>At home: Practise logging in and exploring the resources and icons on the site.</p>	<p>We are learning: To learn how to play an untuned instrument and keep in time to the beat - tambourine, triangle</p> <p>At home: Listen to different hip-hop songs. Try making an instrument and then play along to music at home.</p>	<p>We are learning: To recognise and make good and not-so-good choices</p> <p>At home: Talk to your child at home about what are good choices and not-so-good choices.</p>
