	Weekly Learning Pre-School 04.12.23		
Religious Education	Personal, Social and Emotional	Physical Development	Communication and Language Special Words
We will be thinking about the meaning of Christmas and how Jesus came for the whole world. We will talk about what things make us happy and recognise that everything that gives us joy, is a gift from God. At home: think about what you will be doing to get ready to celebrate Jesus' birthday.	Development We will be naming and describing the different feelings we have when we celebrate special times with our family. At home: can you play a board game with your family, taking	Children will need to listen carefully and stop quickly, as we play the fun game of musical statues. Can you do all the things 'Simple Simon Says'touch your toes, reach up high, draw a circle in the air? At home: can you play 'Simon	Nativity-the birth of a person Tinsel-Long shiny strips of foil that we use to decorate our Christmas trees Bauble-ball shaped decorations that we place on our Christmas trees Celebrate-when we are with family and friends for special days and events, we are happy
Literacy	turns? Maths (Week 11)	Says' with your family? Understanding the World	and celebrate! Expressive Arts and Design
We will be exploring a variety of stories about Christmas adventures. Spot the dog helped Father Christmas find his sleigh. What happened next?	We will feel the different shaped boxes wrapped under our tree and describe the shape. We will talk about patterns with 2 and 3 colours, objects. Can we notice	The shepherds and wise men travelled a long way following the Christmas star. We will talk about long journeys the children have made. We will also use the	Children will be bringing home the beautiful decorations and Christmas cards they have been making.
