

Reception

I am special in God's eyes

Information about some of the things we have been learning in Reception

27.11.23 to 01.12.23

Literacy

We have been listening to the story Owl Babies and have retold the story in order using pictures and puppets. In our writing we thought about what the baby owls said to each other when their mummy went away and wrote a speech bubble.

We have also been writing words using our 'Fred' fingers and are getting really good at this now.

Topic

We have been learning about night and day and the different animals we see at night time or day time. We learnt a new word 'nocturnal'. In Art we used dark blue and white paint to make different shades of dark and light blue. We have enjoyed exploring light and dark using torches and our class light boxes.

R.E.

In R.E this week we have learned that Jesus was born in a stable and laid in a Manger.

We sang the song 'Away in a Manger' with Mrs Finn and she taught us the sign language actions to go with it. We drew painted pictures of the stable and animals.

Maths

In Maths this week we have been learning the shapes circle and square. We sorted shapes and talked about corners, sides and if they are round or not. We also used positional language to tell each other where the teddy is. The words we used are, in front, behind, between, next to.
