Communication and Language
Special Words Continued:

Religious Education

We will talk about how God wants us to be happy and healthy so that we can enjoy the world he gave us.

At Home: Talk about things that are good for our bodies; sleep, food, water, washing hands, exercise.

Personal, Social and Emotional Development

We will be thinking about what things we will need, to go on a bear hunt. We will pack them together in our back pack.

At home: What things do you need when you get ready to go to school? What about when you go swimming?

Physical Development

We will design an obstacle course to climb under, over and through.

If you go to a park explore moving under, over and through the equipment.

Under – When something is below something else, it is under it.

Over – When something is above us or we go across something, we are going over it.

Through – When something goes in one end and out the other, it goes through.

Dark – When there is little or no light, it is dark.

Literacy

We will be using our story telling spoons and map to help us remember the sequence of events in our book 'We're Going On a Bear Hunt'.

At Home: Talk about what you would do if you saw a bear?!

Maths

This week we will be counting 5 sizzling sausages. We will also look at how items are sorted; What is the 'rule', size, shape, colour, type?

At home: Can you make a 'rule' to group your toys?

Understanding the World

When we are very quiet, what noises can we hear?

At home: On your way home from Pre-School chat about the noises you can hear?

Expressive Arts and Design

We will be singing '5 Fat Sausages Sizzling in the Pan'.... All of a sudden one went Bang! We will use the 'stop' and 'go' sign as we play the musical instruments. What instrument will make a good sound for a 'BANG'!

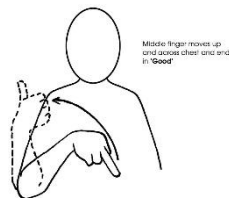

At home: sing along to the song: <https://www.youtube.com/watch?v=iOnLU4cg0Dc>

New Starters to Pre-School

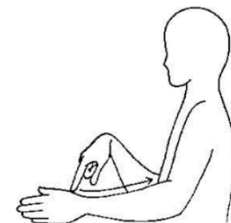

We continue to make appointments for 'Settling In' meetings. Please ask if you have not already booked a meeting.

This week's Makaton Signs: Slow

Kind

Middle finger moves up and across chest and ends in 'Good'

Finger moves slowly from wrist to elbow

Stop

Go
