

Year 2

I am special in God's eyes

Information about some of the things we have been learning at St Joseph's
in Year 2 this week. 6/11/23 to 10/11/23

Topic

This week, we have started our new topic of "A Wonderful World" through some amazing dance. We have been learning the Continents song and creating a variety of movements using different levels, actions and turns. It has been tremendous fun and we are looking forward to performing it at some point soon!

English

We have been continuing our learning linked to Jim and the Beanstalk. This week, we have been ordering events from the story and re-writing sections using a variety of different adverbials such as in the morning, the next day, after an hour of climbing and many more. We have also explored our root words (hurry) change to the past tense (hurried) and to the present progressive (hurrying). Finally, we have begun the exciting challenge of finishing the trilogy by planning the next adventure in the series.

Maths

We have continued our learning linked to addition and subtraction this week by using number lines to help us add and subtract using tens and ones. This has involved using a number line to count forwards and backwards but also using jumps to the next ten, rather than just counting in ones. For example: $27 + 5$ would be solved by calculating $27+3+2$ and $22 - 7$ would be solved by calculating $22- 2 - 5$.

R.E. and Catholic Life

Thank you to everyone who attended 2J's assembly on Remembrance on Wednesday. This week we have completed our learning linked to signs and symbols by thinking about the importance of the white garment and a candle during Baptism. The children have reflected on their learning and have written some beautiful prayers.

Information for next week:

- **PE Days:**
2S will be Monday and Friday
2J will be Tuesday and Thursday
