

Reception

I am special in God's eyes

Information about some of the things we have been learning at St Joseph's
in Reception this week. 12.1.24 to 19.1.24

Topic

We have been learning about a warmer part of the world this week and exploring the Kalahari desert and the animals that live there. We have been comparing the differences between the Antarctic and the desert as well as thinking about some of the dangers small desert animals face from larger ones. We know meerkats stay safe by staying together and that they live in mobs.

R.E.

This week we have heard about how Jesus welcomes the little children (MK 10:v16). We have been learning that Jesus is for everyone and that he loves to welcome children. We can be with Jesus in prayer and we have been thinking about when and where we like to pray.

Literacy

We have heard a story about Sunny the Meerkat this week. He decides the desert is too hot for him and sets off visiting family and friends in different places. We have written our own captions about Sunny and we have also made our own postcards to send just like Sunny did.

Maths

In maths we have been continuing to learn the different pairs of numbers that can be used to make 5 and finding out how many are missing if we hide some underneath a cup

Information for next week

- Please remember to send reading books back into school
- P.E uniform on Friday
