

Reception

I am special in God's eyes

Information about some of the things we have been learning in Reception

20.11.23 to 24.11.23

Literacy

This week we have had lots of reading practice and shared reading sessions. We have been looking at the pictures in stories and talking about what we can see, what is happening and what might happen next. We have been learning words like 'title, page, words, pictures' and 'character'. We have started to learn to read some new 'red' tricky words and look out for a reading pack that is coming home today.

Topic

This week we have been learning about Road Safety. We have role played using a zebra crossing safely in the playground as well as learning about road safety rules. Hold an adults hand. Stop. Listen. Look both ways. Walk across the road sensibly. We have also talked about the importance of being bright and seen now that the nights are darker and looked at reflective strips and how they work.

R.E.

In R.E this week we have learned that Mary and Joseph had to travel to Bethlehem. We made a moving picture to show Mary and Joseph on their journey and have been singing songs in preparation for our nativity show.

Maths

In maths this week we have been practising counting accurately by touching each object and one number name for each object we touch.
