

Weekly Learning
Pre-School
02.10.2023

Communication and Language
Special Words This Week:

Religious Education

I know God made me and I am part of a family. Children will draw pictures of themselves. We will look in mirrors to see how similar and different we are.
At Home: Can you draw a picture of your family and bring it to Pre-School to share with your friends.

Personal, Social and Emotional Development

We will be thinking about what things we will need, to go on a bear hunt. We will pack them together in our back pack.
At home: What things do you need when you get ready to go to school? What about when you go swimming?

Physical Development

We will design an obstacle course to climb under, over and through.
If you go to a park explore moving under, over and through the equipment.

Under – When something is below something else, it is under it.
Over – When something is above us or we go across something, we are going over it.
Through – When something goes in one end and out the other, it goes through.
Dark – When there is little or no light, it is dark.

Literacy

Book of the week

Try the link below to hear the story of the week.

Maths

This week we will be sorting objects by their size, shape or colour.
At home: can you sort your toys by colour or size?

Understanding the World

We will be going for a listening walk. When we are very quiet, what noises can we hear?
At home: On your way home from Pre-School chat about the noises you can hear?

Expressive Arts and Design

We will be using a range of materials to create bear pictures. We will be using words to describe bears; wet nose, big eyes, soft, furry, grizzly.
At home: dance and sing along to the bear hunt song.
