

# Year 1

I am special in God's eyes

Information about some of the things we have been learning at St Joseph's  
in Year 1 this week. 25.09.23 to 29.09.23

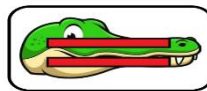

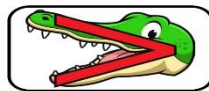

## English

There has been a mystery in Year One this week! 1S and 1J have investigated who could have possibly made all the mess around the school, we think it was the Naughty Bus. The children have discussed their ideas and used descriptive language to explain their findings. They have worked very hard to write sentences to caption an illustration in our class book, Naughty Bus.

## R.E. and Catholic Life

Continuing our 'Families' topic, Year One have developed their understanding of the ways in which God loves and cares for us. In small groups the children came up with their own Psalm which thanks God for the love and the care he shows us and our families each day.

## Maths

We have compared numbers and amounts using practical resources. Using the mathematical vocabulary that we learnt last week we have described which is more, which is less or if they are equal. Year One have been using comparison signs and learning that 'the crocodile always eats the bigger number!'

## Topic

We have been creative and artistic in our Topic lessons this week! We have been learning the 3 primary colours and how we mix them to make 3 secondary colours. The children have enjoyed using their colour knowledge to create repeating patterns and mixing colours to paint a stegosaurus.

## Information for next week:

1S PE days: Monday and Thursday

1J PE days: Tuesday and Wednesday
