

Year 2

I am special in God's eyes

Information about some of the things we have been learning at St Joseph's
in Year 2 this week. 25/9/23 to 29/9/23

Maths

We have been reviewing our knowledge of counting in 2s, 5s and 10s this week. However, some of our questions were a bit trickier as we did not start at 10 or even 20! We have been through methods which might help us to solve these questions such as sing our 100s square, a number line or using groups of that number.

English

Following on from sorting our facts about wolves into categories, we have been thinking about what else makes up a non-chronological report such as an introduction and conclusion (or summary). In preparation for our information leaflet about wolves and making them the best they can be, we have been discussing comparisons and trying to incorporate these into our writing - to make it really wow!

R.E. and Catholic Life

This week we have been thinking about why we might start the day with a prayer. We have also been thinking about God being close to us and what that means for our lives. For example, we discussed some times where God has been with us (and close) and we drew pictures to show this.

Topic

We have been learning about different artists who create sculpture with sand. Inspired by these artists, we had a go at making our own sand sculptures as groups. We have been exploring a variety of materials such as pastel and colouring pencil. With these, we have made drawings of boats and been working on drafting our work before doing our 'final' piece. In addition to this, we have been sorting physical and human features of different landscapes for example; shops or trees.

Information for next week:

- **PE Days:**
2S will be Tuesday and Friday
2J will be Tuesday and Thursday
- **Year 2 Information Meeting on Tuesday 3rd October 2023**
