

Reception

I am special in God's eyes

Information about some of the things we have been learning
in Reception week beginning 11/9/23

Settling In

We have had a another lovely week together and the children are learning the class routines well.

Some groups of children have met Adam our sports coach and he will continue to work with us in Reception this year and meet all of the children for sporting skills and games. We had fun playing counting and follow my leader games.

This week have been even more independent at lunch time and are now starting to tidy their plate or lunch bag for themselves. They are super at wqalking one behind the other back to their classroom.

R.E.

This week we have listened to the story of creation and found out that God made the world for everybody to enjoy. We have made models and painted pictures of animals and insects that he made using playdough and we e have looked at images of the world from space

Literacy

This week we have met 'Fred' the frog and he has introduced us to 'sound talk'. Fred only talks in sounds and we have been learning to blend the sounds he says. We have also been learning to name the images on our Read Write Inc flascards.

Maths

We have been counting actions such as claps, jumps and hops and matching our fingers to numbers that are said.

Information for next week

- **Drop In Session between 3.30 - 4.30** - Pop in to see Miss Apps or Miss Tobin for an informal chat about how settling in is going
- Please continue to send sunhats in each day while the is hot
- Thank you for labelling so many items it really helps to make sure they get returned each day ☺
- Reminder - please send a named water bottle in each day
