Pre-School

This week our book was 'Look and Say What You See in the Countryside'. Our special words were

Home, Rest, Under and Discover. The children continued to enjoy using magnifying glasses and binoculars to discover insects around the garden. We spotted spiders, earwigs, woodlouse and ladybirds! What can you spot on

your way home from Pre-School? We were very proud of the children running their fastest races on Sports Day. They were amazing and all deserved their gold medal and the treat of an ice pop from the SCA. The Pre-School children leaving us in September

joined the school in the hall, for singing practice. They sat beautifully and were very brave to stand up and sing their special leavers song, 'I'm a Little Star'.

Headteacher

Community Spirit

A wonderful celebration and coming together of our school community.

We are Pilgrims of Hope. We walk in solidarity with our sisters and our brothers worldwide, sharing challenges and celebrating joys.

We promise to be agents of change, working together for justice, love and peace, locally and globally. We want to build a fairer world, where every person, and the earth, can flourish.

We will do this by learning about communities locally and globally, opening our hearts to all of our sisters and brothers.

RECEPTION

. What super star athletes we have all been this week on Sports Day!

Thank you for joining us for such a fantastic morning where we all took part, tried our best and had a lot of fun.

Well done to all the children for their great achievements demonstrating good sportsmanship. We are so proud of you all!

This week is International Pledge Day for the Jubilee 2025 Pilgrims of Hope. We have all decorated a special stone to be placed in the Jubilee garden as a pledge to work together with our brothers and sisters worldwide.

We enjoyed celebrating the day learning about Solidarity, showing that we care for others in times of need, and can be better global neighbours. We also attended a Pledge Service on the field with St. Edward's.

Year 1

Year 1 have been very energetic this week.

All the children enjoyed the Sports Day races and cheering each other on.

Some showed resilience when they fell, and got straight back up to continue their race.

It was great to have a visit from the Bucks Radio Bear to present Mrs Taylor with a bouquet of flowers for her last sports day at St Joseph's.

We were glad the weather was not too hot for us or the bear!

In Maths we have been looking at place value within 100. The children have looked at ordering numbers and finding missing numbers on number lines and hundred squares. They enjoyed working together to write the 2 and 5 times table with chalk on the ground. They used number squares to check their work

ON YOUR MARKS...
GET SET... GO!

It was incredible to see so many of you at Sports Day this week. The children loved being able to compete in the different races and all had huge smiles on their faces. It was a wonderful day and

thank you all for making it so special for our Year 2s in their last Sports Day at St Josephs.

This week, we have also been preparing for transition with a visit to St Edwards playground as well as a visit from Mrs Whitehead and Mrs Mahoney to come and talk to the children. The children loved exploring the playground and all of the new and different equipment. They also loved seeing their new teachers and having the opportunity to show them their learning.

For those not attending St Edward's, we will also be talking to the other schools our Year 2 children are attending over the next week.

Finally, we enjoyed a magnificent International Day on Friday, which was a fantastic way to end another busy week!

Have a lovely weekend everyone!
