

Weekly Learning Pre-School 15.05.2023

Religious Education

We will be talking about how Jesus will always be our friend and how we can talk to him about things that are important to us.

Personal, Social and **Emotional Development**

Children will be supported to talk about things that might worry them and what we can do to feel better. We will talk about what makes a good friend and how we can make up when we have disagreements.

Physical Development

We will move like different animals: wriggle, crawl, jump, creep and flutter.

We will have fun playing stuck in the mud!

Walk to school week; can you walk to Pre-School one day? Or part way?

Literacy- Book of the Week

Nothing Can Frighten a Bear

https://youtu.be/WK43RIhT5NQ

Maths

This week we will be exploring 3D shapes; cube, cuboid, cylinders and spheres. What makes them different to a square, rectangle and circle?

At home:

Talk about the shape of objects around your house. What shape is a cereal box? How is a circle different to a ball?

Understanding the World

We will be finding out what animals come out at night and sleep during the day (nocturnal). We will be experimenting with light sources in the dark cube.

At home think about what activities you do during the day; could you do them at night?

Communication and Language

Frightened-(Worried) When you feel scared of something.

Deep- If something is deep, it goes down a long way.

Stuck- When you are fixed in one place and cannot move away.

Wriggle- When your body

moves like a worm.

Expressive Arts and Design

We will revisit the range of songs & rhymes that we have learnt so far this year. How many do you remember? Which one is your favourite?

At home share our rhyme of the week, 'Teddy Bear, Teddy Bear Turn Around':

https://youtu.be/76wc4xdqzGk

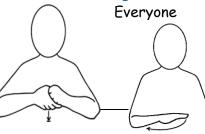

Any day this week: Children are invited to bring a teddy to Pre-School (labelled and not their most precious!).

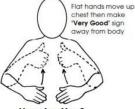

Children will help their Teddy Bear's make friends with each other at our picnic (snack time).

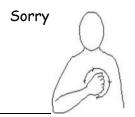

This Week's Makaton Signs:

Friends

How Are You?
