Religious Education wk 6

We will be thinking about what we need to live a happy and healthy life. Jesus teaches us that we should share what we have with others.

At home: talk about when you share what you have at home?

Personal, Social and Emotional Development

When there is no one to help us, we have to do things by ourself. We will talk about how good it feels when we can do something that we once found difficult.

At home talk about the skills you have mastered since you were a baby; walking talking...!

Physical Development

We need to practise before we can do things by ourselves. We pour water and milk carefully so that we tip it into our cups, with no spills! Learning a new skill can be tricky. What can you practise to get better at?

At home you could see who can pat their head and rub their tummy?!!

Literacy

Children will be listening to 'Fred talk'; Fred our frog, only speaks in sounds and we have to blend the sounds together to know what he is saying...c-a-t... cat, h-a-t... hat, l-oo-k...look, c-oa-t...coat. Have a go at speaking like Fred at home!
