

Pre-School Weekly Learning

18.03.2024

Communication and Language

Special Words This Week:

Smell-(sniff, scent, whiff) we use our nose to smell things. Some things smell nice, and some things don't!
Chase-(follow, rush, track) when we run after somebody, we are chasing them.
Help-(support, assist) when you do something for someone you are helping them.
Delicious-(yummy, tasty, scrumptious) something that we like to taste is delicious.

Religious Education

As we look forward to Easter we will talk about how Jesus rode into Jerusalem on a donkey. We will make an Easter garden together and think about new life.

At home: talk about the things your family do to get ready for Easter.

Personal, Social and Emotional Development

We will think about the different ways we show love and kindness. What did Little Red Riding Hood do that was kind? Can you describe how each of the characters might be feeling as we read our story?
At home: show different ways you can be kind to your family.

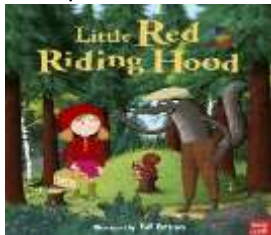

Physical Development

The children will have fun with balloons practising throwing, catching and kicking skills.
At home: try to keep a balloon in the air. Count how many taps on the balloon you can do before it falls to the ground?

Literacy

Try the link below to hear our story of the Week.

Maths Wk 10

We will compare the weight of objects; are they heavy or light?

At home: can you hold a toy in each hand and think about which one is heavier and which one is lighter?

Understanding the World

We will be making delicious biscuits just like Little Red Riding Hood. We will talk about how they smell and what changes take place in the mixture, as we follow the recipe.

At home: can you help make the dinner with your family? What changes do you notice?

Expressive Arts and Design

We will decorate the spring page in our season's book and create a spring blossom picture for our display board.

At home: can you spot any spring blossom on your way or way home from Pre-School?

The children will be taking part in fun activities as we celebrate St Joseph's Day on Tuesday 19th March.
