

## Pre-School Weekly Learning 26.02.2024

### Communication and Language Special Words This Week:

#### Religious Education

**We will be thinking** about how Lent is a time to show we care for others. We dress our prayer table with the colour purple to remind us that this is an important time to try and be caring and kind.

**At home:** Grow closer to Jesus by spending time talking to Him in prayer.

#### Personal, Social and Emotional Development

**We will be** designing cards to **invite** our friends to a party. What will you write?  
*Dear Friends, please come to my party, there will be music, singing, dancing, jelly, ice cream and magic!*

#### Physical Development

As midnight chimes Cinderella hurries away before the magic comes to an end. Can you move carefully, weaving in and out and around your friends?

**At home try this link and listen to midnight chiming...**

**Clean-** when you clean something, you get all the dirt off it.

**Beautiful-** (lovely, gorgeous) when you think that something or someone is very nice to look at, you think they are beautiful.

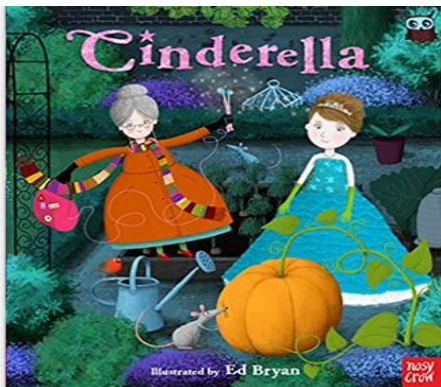

**Invite-** when you ask someone to come to something, you invite them.

**Fit-** when something is the right size or shape for you, it fits you.

#### Literacy

#### Maths wk 7

**We will be** revising the different ways we can split numbers 1 to 5. Can you recognise how many without counting? Numbers 1-5 will be hiding in the Pre-School. What numbers can you find, recognise and name?  
**At home:** Can you plan a number hunt (1 to 5) at home with your family? Where will you hide the numbers?

#### Understanding the World

**We will think** about how we can help keep our planet clean and safe; put litter in the bin, not use plastic straws or bottles. We remember that **the world is in our hands.**

**At home:** Do you recycle the things you don't need anymore?

#### Expressive Arts and Design

**We will be** having our own Royal Ball and dressing up as **beautiful** and handsome princesses/ princes. Can you sing the Neli wash up song and do the actions?

**At home:** Try making a crown or a tiara to bring into Pre-School for our Royal Ball.
