Collect- When you get lots of things and keep them together.

Dig- When you make a hole in the ground.

Religious Education

We will be designing special flags to celebrate the good news that Jesus is alive.

**Personal, Social and

We will be talking about being happy and calm. Posy fell asleep on the beach. We will be listening to ocean music and use visualisation activities to calm our bodies.

At home talk about what makes you feel happy and calm.

**Physical

We will dig in the sand and fill buckets to make sandcastles. I wonder what we could decorate them with...shells, pebbles, flags:

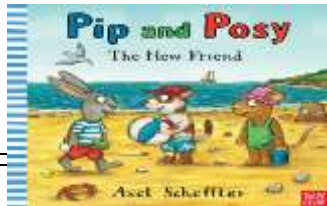

At home: Can you draw the spiral shape of a shell?

At home: practise placing a favourite toy, using positional language; on top, underneath, behind, in front of something.

Understanding the World

We will be talking about the 5 big oceans in the world and we will look at a map/ globe to find out where they are in the world.

At home find some photographs of a family holiday? Where were you?

Expressive Arts and Design

We all like holidays! What would you pack in your suitcase and how will you travel...bus, train, car, or plane? We will be making tickets and passports to use on our travels. We will set up an ice cream parlour and make ice cream cones to sell.
