

Personal, Social and

**Emotional Development** 

## Weekly Learning Pre-School 11.09.23

## Religious Education

In small groups, we will be talking about what makes us special.

We are thinking about how we stay safe at Pre-School. Can you remember what we do when we hear the tambourine?

### Physical Development

This week we will be moving our bodies to music. Can you copy some of the dance moves?

At Home: Play a game of musical statues

# Communication and Language

In small groups, we will be playing 'Simon Says'. Copying the instructions given.

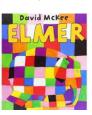

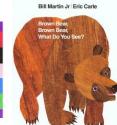

## bring in a family photo card to share.

At home: please

#### Literacy

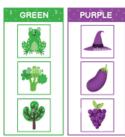

We will be sitting together on the carpet and listening to a story.

#### Maths

We will be looking at purple and green and using our colour knowledge to find different coloured objects around Pre-school.

At home: Make a meal together and discuss the colours on your plate.

#### Understanding the World

We will be exploring different animals and thinking about how they move and the noises that they make. What is your favourite animal?

#### Expressive Arts and Design

We will be creating our own animal stick puppet, using all the colours of the rainbow.

At home:
Can you
teach your
family all
the actions
to 'I can sing

a rainbow'.

This week we continue to welcome our new children and settle into our Pre-School routines. We hope you all have an enjoyable first week.

#### Reminder

Please clearly label any changing bags and lunch boxs.

## This week's Makaton Signs:
