## Welcome to the Summer Term

I would like to wish all our families a very happy Easter and a warm welcome back to school after the break. There have been many celebrations over this break and for many it has been a chance to catch up with family and friends.

Thank you for the Easter wishes for Staff that many of you sent in – these were very much appreciated.

On our return to school, we gathered as a school community to welcome each other back and remind ourselves of the Easter story and, how Jesus is alive in us today. I was very proud to see how well the children have remembered good sitting and good listening and the many different ways of being good to each other they could name.

The children were a credit to the school and even after the two-week break were able to sing the Easter songs clearly and with passion!

We hope this week to be launching our new look weekly update – giving you a snapshot of what the children have been learning and enjoying. This will be uploaded on our website and will include all year groups in one document as well as the Stars of the Week.

Our Newsletters will now be sent once each half term, with dates, school news and general information.

Please can we ask that all parents complete the revised photograph consent form to ensure we have the most up to date information regarding the use of your child's photo. This will be uploaded to the forms section of Parentmail accounts shortly.

Wishing you a Peaceful and Happy term.

Mrs Taylor
