

Dinosaur Rocket

Week 13

This week we have read a story about some dinosaurs who go to space in a rocket!

We have done lots of SPLASHING in water and learned about the MOON.

- Look at the special words. Talk about times you have been BRAVE!
- At night, look out the window and see if you can see the MOON and stars.
- Play a game where you have to be very QUIET, like hide-and-seek!
