

# Year 1

I am special in God's eyes

Information about some of the things we have been learning at St Joseph's  
in Year 1 this week. 11.09.23 to 15.09.23

## Topic

This week the children have learnt about Mary Anning, the famous fossil hunter! They have been learning and writing amazing facts about her achievements. The children dressed up and answered questions as if they were her.

In other curriculum areas the children have been learning about internet safety, how to use the ICT room and how to access Purple Mash.

## R.E. and Catholic Life

The children have discussed their families and the meaning of the word family. They have drawn beautiful pictures and discussed the ways we show love to our family. We understand that God loves us and our family. As a class we wrote a Psalm to describe the ways in which God loves and cares for us.

The children have spent time in our Year One Prayer Garden and enjoyed quiet times of reflection during the week.

## Maths

This week we have been counting on from different numbers to 10. Children have been beginning to match words of numbers to 10 to their correct numeral. Year One have worked very hard at this challenge.

## English

We have been reading and sequencing the story of the Naughty Bus. The children have discussed and drawn the beginning, middle and end of the story. We were very impressed with their use of adjectives to describe the different settings in the story.

## Information for next week:

- PE Days: 15 Tuesday and Thursday 1J Wednesday Friday
