

# Year 1

I am special in God's eyes

Information about some of the things we have been learning at St Joseph's  
in Year 1 this week. 18.09.23 to 22.09.23

## English

We have learnt how to order the 'days of the week' and we are beginning to spell them independently. We even know they start with a capital letter.

We have written a diary about the Naughty Bus and what he got up to each day. Can you write a sentence about your weekend to share with us?

## Days of the week

**Sunday**

**Monday**

**Tuesday**

**Wednesday**

**Thursday**

**Friday**

**Saturday**

## R.E. and Catholic Life

This week we have learnt that 'God takes care of everyone'. We have been on a walk of the school grounds and noticed the things around us that God takes care of. We know that God cares for the flowers and the birds and even more for us.

## Maths

**One more and one less** has been our focus this week. We have been counting out different numbers and identifying what is one more and one less than the given number. The children have been very good at doing this with our cubes to prove their thinking.

## Topic

We have been continuing to learn about the famous palaeontologist, Mary Anning. We have discussed the differences between the 1800's when she was alive and the present day. The children have looked at different sources, such as painting, to find out more information about her. We have finished the week with writing down a reason why we should have a statue built of Mary Anning!
