

Year 2

I am special in God's eyes

Information about some of the things we have been learning at St Joseph's
in Year 2 this week. 18/9/23 to 22/9/23

Topic

We have been learning about different artists, who have been inspired by the seas, as JMW Turner and Hokusai. We've then taken their artistic techniques and created our own masterpieces using pencils, felt tips and pastels. Some of these look spectacular! We were also delighted to have our first session with Joanna and it was great to see the children learning new dance moves.

English

Following on from our character description about an evil wolf last week, we have written a new one to show that wolves are in fact good! In preparation for our information leaflet about wolves, we have then been learning about captions, cause and effect sentences as well as researching information about wolves. Did you know that wolves have no natural predators other than people?

R.E. and Catholic Life

This week we have writing our own psalms and prayers to give thanks to God for always being there for us in our new beginnings. With expert guidance from Mrs Finn, we have also been learning new songs in preparation for the Harvest Festival.

Maths

We have been identifying numbers on number lines up to 100 that have counted up in different intervals between 1 and 10. We have also begun comparing numbers and quantities using the language greater, more, less, equals and the symbols < and >.

Information for next week:

- **PE Days:**
2S will be Tuesday and Friday
2J will be Tuesday and Thursday
Don't forget McMillan Coffee morning - any donated cakes and help most welcome.
