

Year R

I am special in God's eyes

Information about some of the things we have been learning at St Joseph's
in Year 1 this week. 29.02.24 to 02.02.24

Topic

This week we have been developing our listening and attention skills by making sure we are ready to learn and the ways that we can do this. We have been practising sitting up straight, keeping our tables tidy and remembering to listen to others when they are talking and to not interrupt.

We are very excited to have a 'proud cloud' in our classroom and when we have been trying our best our names will be added to it.

R.E.

We attended a beautiful whole school Mass with Father John to celebrate Candlemas. All of the children sat exceptionally well and paid close attention to the words shared by Father John.

We have also been thinking about ways that we can live like Jesus and how to show care for others.

English

We started the week writing a recount of our weekend news using words and captions. We have also used lots of descriptive words to talk and write about animals this week.

Maths

This week in maths we have been learning to find and represent numbers 6, 7 and 8 and we have been finding 1 more or 1 less than a number up to 8. We have done this in lots of different ways using tens frames, cubes and numberlines.

Information for next week:

- Please remember to wear school P.E kits on Fridays
