Weekly Learning Reception 24/04/23			Focus story: Key Vocabulary: slithering, sticky, slimy, scuttle, wriggle, buzz, flying, dazzling, shimmering and jumping
Religious Education We are learning to/about: The coming of the Holy spirit and what happened on Pentecost day. What did the friends of Jesus do after the coming of the Holy Spirit? Try this at home: Make an Easter garden using small stones and daisies.	Personal, Social and Emotional Development We are learning to/about: Food and which foods are good for your body and help you grow. What food do you think made the caterpillar grow? Try this at home: Make a list of all the food you like to eat. What is your favourite food? Talk about healthy food and how it helps your body.	Physical Development We are learning to/about: I can perform a single skill or movement with some control. I can perform a small range of skills and link two movements together I can move confidently in different ways. Try this at home: Can you carry your house on your back like a snail? Can you show the	Communication and Language We are learning to/about: Investigate where mini beasts live in water, in the grass, in the mud, in the sunlight. Can you remember which mini-beast carries its home on its back? Try this at home: Go for a walk and see if you can spot any mini beasts. What are they doing? Where do they live?
Literacy We are learning to: Look closely at our key words Can you remember which mini beast is sticky, slimy and slithery. Try this at home: Can you describe your favourite mini beast? Think about where they live and what they like to eat.	Maths We are learning to/about: Encourage children to begin to build and identify numbers to 20 using a range of resources, such as tens frames and counters, number shapes and cubes. Try this at home: Use different objects to count beyond 10	different ways mini beasts walk? Understanding the World We are learning to/about: Real life caterpillars in our classroom that will turn into butterflies. We will observe and see what happens to them. Try this at home: Go on a mini beast hunt and see how many different mini beasts live in your garden.	Expressive Arts and Design We are learning to/about: Creating different types of mini beasts using various materials. Try this at home: Try drawing your favourite mini beast and label the different body parts.
