

Year 2

Weekly Learning

Information about some of the things we will be learning in the week beginning 11th July 2022

This week we are finalising and preparing for our End of Year celebrations and activities. Please remember these important dates:

Wednesday 13th - Art Gallery. Parents and families welcome from 2.30pm -4pm. Singing performance at 2.30pm.

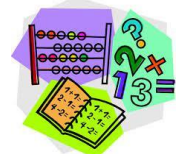

Thursday 14th - Kwick Cricket event at St Edward's. Sports clothes, hats, water bottles and sun cream. Normal drop off, pick up and lunch arrangements.

Friday 15th - Leaver's disco - pick up at 5.30pm. Disco clothes to be worn to school.

Monday 18th - Leaver's Assembly 2.30pm. 2 adults per family may attend. Juice and biscuits in the hall afterwards.

Maths: This week we will be going over all of our learning from year 2. We will be doing some fun maths activities and games to help us practise and apply our maths skills.

RE:

This week we will be learning about Islam. We will be learning about how Muslims prepare for prayer and how this is called 'Wudu'. You can watch the following link at home to introduce your child to the religion Islam and talk about how they pray.

We will also be looking at the prayer mat and how it is used in prayer. The children will then enjoy making a small, craft prayer mat.

PE: This week we will continue our learning of how to maintain balance whilst doing a mini-front support and mini-back support position. We will continue to secure our skills in doing this whilst also placing a cone on our backs and taking it off with the other hand. We will also continue to learn how to do a mini-back support position and putting a cone on our tummy and taking it off with the other hand. This week we will also challenge ourselves to do a full front support position. We will explore skills whilst doing this front support position, such as, lifting 1 arm and pointing to the ceiling with either hand and transferring a cone on and off our backs.

Our PE days: 2S Tuesday and Friday 2J Tuesday and Friday

Please come to school in PE clothes instead of uniform on these days.

Music

This week we will be listening to "Dance Of The Sugar Plum Fairy" by Pyotr Ilyich Tchaikovsky, and will then discuss the following:

- What can you hear?
- How does the music make you feel?
- How old do you think the music is?
- Does the music tell a story?
- Do you like the music and why?

ICT

This week we will be learning how to present our ideas as a quiz. We will make a quiz about a story using 2Quiz and then we will discuss our work, thinking of ways we could improve.

P.S.H.E. (Personal, Social, Health Education)

This week we will be thinking about choices we make when spending money. We will discuss the difference between 'wants' and 'needs' and will do sorting activities to consolidate this.
